## About Us

Welcome to Zuwix Mobility, India's fastest-growing EV supply chain aggregator company. We offer a complete ecosystem for the Multi Brand electric vehicle industry, Enabling not only the industry to grow but also allowing every small and serious player to gain a share in the increased Demand expected to surge in the next year

ZUWIX MOBILITY provides complete support and handholding to all existing and aspiring players as per their Interest in all of these pillars or any of the pillars that are specifically requested.

The revenue model is simple - we provide support, you invest, and you earn up to committed levies. ZUWIX MOBILITY will charge a 1/3 margin on the additional earnings.

So far, the EV industry has been cursed with small OEMs with limited knowledge and resources and very little Appreciation towards quality but high aspirations.

Zuwix Mobility provides a platform for such players.

We have collaboration with different OEMS across India to provide Electric vehicles

**Make Partner Eco-Friendly Vehicle for a  
Brighter Tomorrow**
